

A better way of saving

Our Services

Investment Management - For both lump sums and regular savings, we recommend investment managers in highly regulated jurisdictions

Pensions - If you have a plan either in the UK or an overseas transfer, we can review and help to ensure it's working properly for you

Life assurance - to cover your short and long term needs

Medical insurance - to cover local and international medical needs

Why is AIMS different?

- ❖ Clear and transparent charging following UK and Thailand regulatory guidance
- ❖ Recommend fully independent, professional and experienced investment managers in highly regulated jurisdictions
- ❖ Full written advice report covering information gathered, recommendations made and any costs and fees
- ❖ No hidden commissions, penalties or charges

What does this mean for you?

- ❖ You can make informed decisions
- ❖ You have clear and competitive fees and charges
- ❖ You are engaging in a long term relationship to meet your financial planning aims and objectives
